

AI4CITIES

Accelerating carbon neutrality

HEROES

Our Mission

We **Coach** organizations to become **Digital** winners. Build smart digital solutions using **AI**.

The Heroes

Joshua

AI Consultant

Sinit

Machine Learning Engineer

Jantine

Program Manager
Agile transformator

Tristen

IoT/Cloud Engineer

Nataliya

Data Scientist

BuildingConnect™

Sub Challenges:

- Flexible Energy Consumption
- Energy Efficiency

Learnings Phase 1 & Phase 2 plan

- Better insights on **feasibility** of our solution
- Bring solution design to **life** & Create **cloud platform**
- Requirements of **end-users** & Streamlining **data collection & ingestion**
